

Log In using SMS access

First time user

Connecting to your Barclays One is easy. To register, you will be asked to follow these steps:

Step 1 Go to relevant URL from the list below:

- for Jersey, type www.barclayswealthonline.je
- for Monaco, type www.barclayswealth.mc
- for Switzerland, type www.barclayswealth.ch

The screenshot shows the 'Login' page with the following elements:

- Language: English
- Text: "Please complete the following details to log in."
- Form fields: "User name" and "Password".
- Buttons: "Login" (with a right arrow), "Forgot Password", and "Smartcard Activation".

Step 2 Enter your chosen username and temp password, which are provided in your letter and click on **'Login'**. A One Time Passcode (OTP) is sent to your primary phone number.

Step 3 Input the OTP in the field called Security Code in the login application, and click on **'Login'**.

The screenshot shows the 'Login' page with the following elements:

- Language: English
- Text: "A security code has been sent to your mobile phone. Please wait for the message and enter the code below. This code will expire in 90 seconds. After that, you can click the 'New Code' button to receive a new one."
- Form field: "Security code".
- Buttons: "Cancel", "Login" (with a right arrow), and "New Code".
- Text: "In case you didn't receive the security code or if it has expired, use this button to order a new one."

Step 4 You will have to change this password immediately.

The screenshot shows the 'Change Password' page with the following elements:

- Language: English
- Form fields: "Old password", "New password", and "Confirmation".
- Buttons: "OK" (with a right arrow).
- Text: "The password must be at least 8 and may be at most 30 characters long and must contain at least two numbers, two uppercase letters and two lowercase letters. Already used passwords are not allowed."

Important Password creation guidelines

- Your chosen password will be used every time you log in
- The password should be composed by at least 8 characters, including 2 capital letters, 2 lower cases and 2 numbers (i.e. WeLcome01)
- Passwords cannot be used more than once
- If you forget your password, you should contact your Online Support Team to reset it.

Step 5 You will now be asked to select and provide answers to two security questions to be answered in case you forget your password.

Because we are sending your passcodes to your mobile phone, it is important that you inform us immediately if you lose it or in case of number changes.

Existing Clients

After your first login, you will need to access your relevant URL and follow these steps:

Step 1 Enter your username and your password and click 'Log In'.

A One Time Passcode (OTP) is sent to your primary phone number. You have then to input the OTP, called Security Code in the login application.

Step 2 Enter your One Time Passcode received by SMS.

The screenshot shows a login application window titled "Login" with a language selector "English" in the top right corner. The main text reads: "A security code has been sent to your mobile phone. Please wait for the message and enter the code below. This code will expire in 90 seconds. After that, you can click the 'New Code' button to receive a new one." Below this is a section titled "Security code" containing a text input field with a right-pointing arrow icon and the placeholder text "Security code". To the right of the input field are two buttons: "Cancel" and "Login" with a right-pointing arrow. At the bottom of the form is a "New Code" button with a circular refresh icon.

You are now connected to your account!
